PRO 360™ TOUCHLESS CLEANER

An industry first portable device that incorporates best-in-class benefits to spray a high purity solvent onto an end face for non-contact cleaning. The spray is followed by an air burst causing a Coandă effect allowing the process to clean 360° of the ferrule end face surface to the edge.

Product Features:

- Touchless cleaning eliminates static and scratching
- Full end face 360° clean prevents migratory residues and particulate from getting near the core
- One device with tips cleans various connector sizes including 1.25mm, 2.5mm, and MPO/MTP
- One activation delivers a micro-dose of atomized cleaning fluid inside a narrow column of pressurized air onto a fiber optic connector end face to the ferrule edge
- Easy activation reduces technician fatigue
- One cleaning tool for a host of fiber cleaning applications
- One compact device for field portability (battery) or AC line-powered for in-house, high-volume use

Multiple US and International Patents Pending

Sticklers Pro360° Touchless Cleaner Part Number: MCC-P360

DESCRIPTION	QTY
Pro360° Touchless Cleaner Tool with Shoulder Strap	1
Rechargeable Lithium Ion Battery (MCC-P360BAT)	2
A/C Power Supply & International Adapter Set (MCC-P360ACP)	1
Pro360° High Purity Fiber Cleaning Fluid (2100+ cleans) (MCC-P360SOL-A)	1
Pro360° Cleaning Tip, 1.25mm (MCC-P360CT125)	1
Pro360° Cleaning Tip, 2.5mm (MCC-P360CT25)	1

Sticklers™ Pro360™ High Purity Fiber Cleaning Fluid

Part Number: MCC-P360SOL-A

- One replaceable fluid canister gets 2100+ cleans
- Nonflammable cleaning fluid canister is easy to install
- Ships non-hazardous/not regulated globally by all modes of transportation

When you need perfectly clean splices & connectors™
