

MimioSpace collaborative system

Imagine having the space for your students to engage with lessons, videos, web pages, and class objectives all at the same time. Space like you've never had before—space that makes the digital classroom and learning come to life.

The MimioSpace collaborative system creates an expansive 32-touch area with Touch 360° interactivity—all the way across this enormous interactive space. Students can work together in an area almost 11 ft wide and 4 ft tall, making collaborative learning at the front of the classroom a reality. Team and collaborative work has never been so engaging!

- **Laser projection** offers brilliant consistent color, brightness, and image clarity.
- **Touch board doubles as a dry erase surface**, so you won't lose valuable whiteboard space in the classroom.
- **No more hassle of minimizing windows** to find another—everything you need is easy to access and see.
- **Includes the dynamic MimioStudio™ classroom software** and the MimioMobile™ app, which together enable collaboration and assessment at the front of the room or on almost any device. Comes with three free MimioMobile connections.

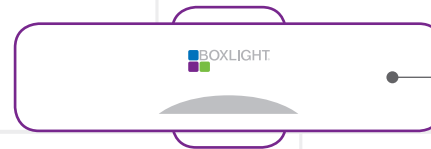

To learn more, visit boxlight.com/mimiospace or call 866.972.1549.

The Space to Teach, Collaborate, and Learn!

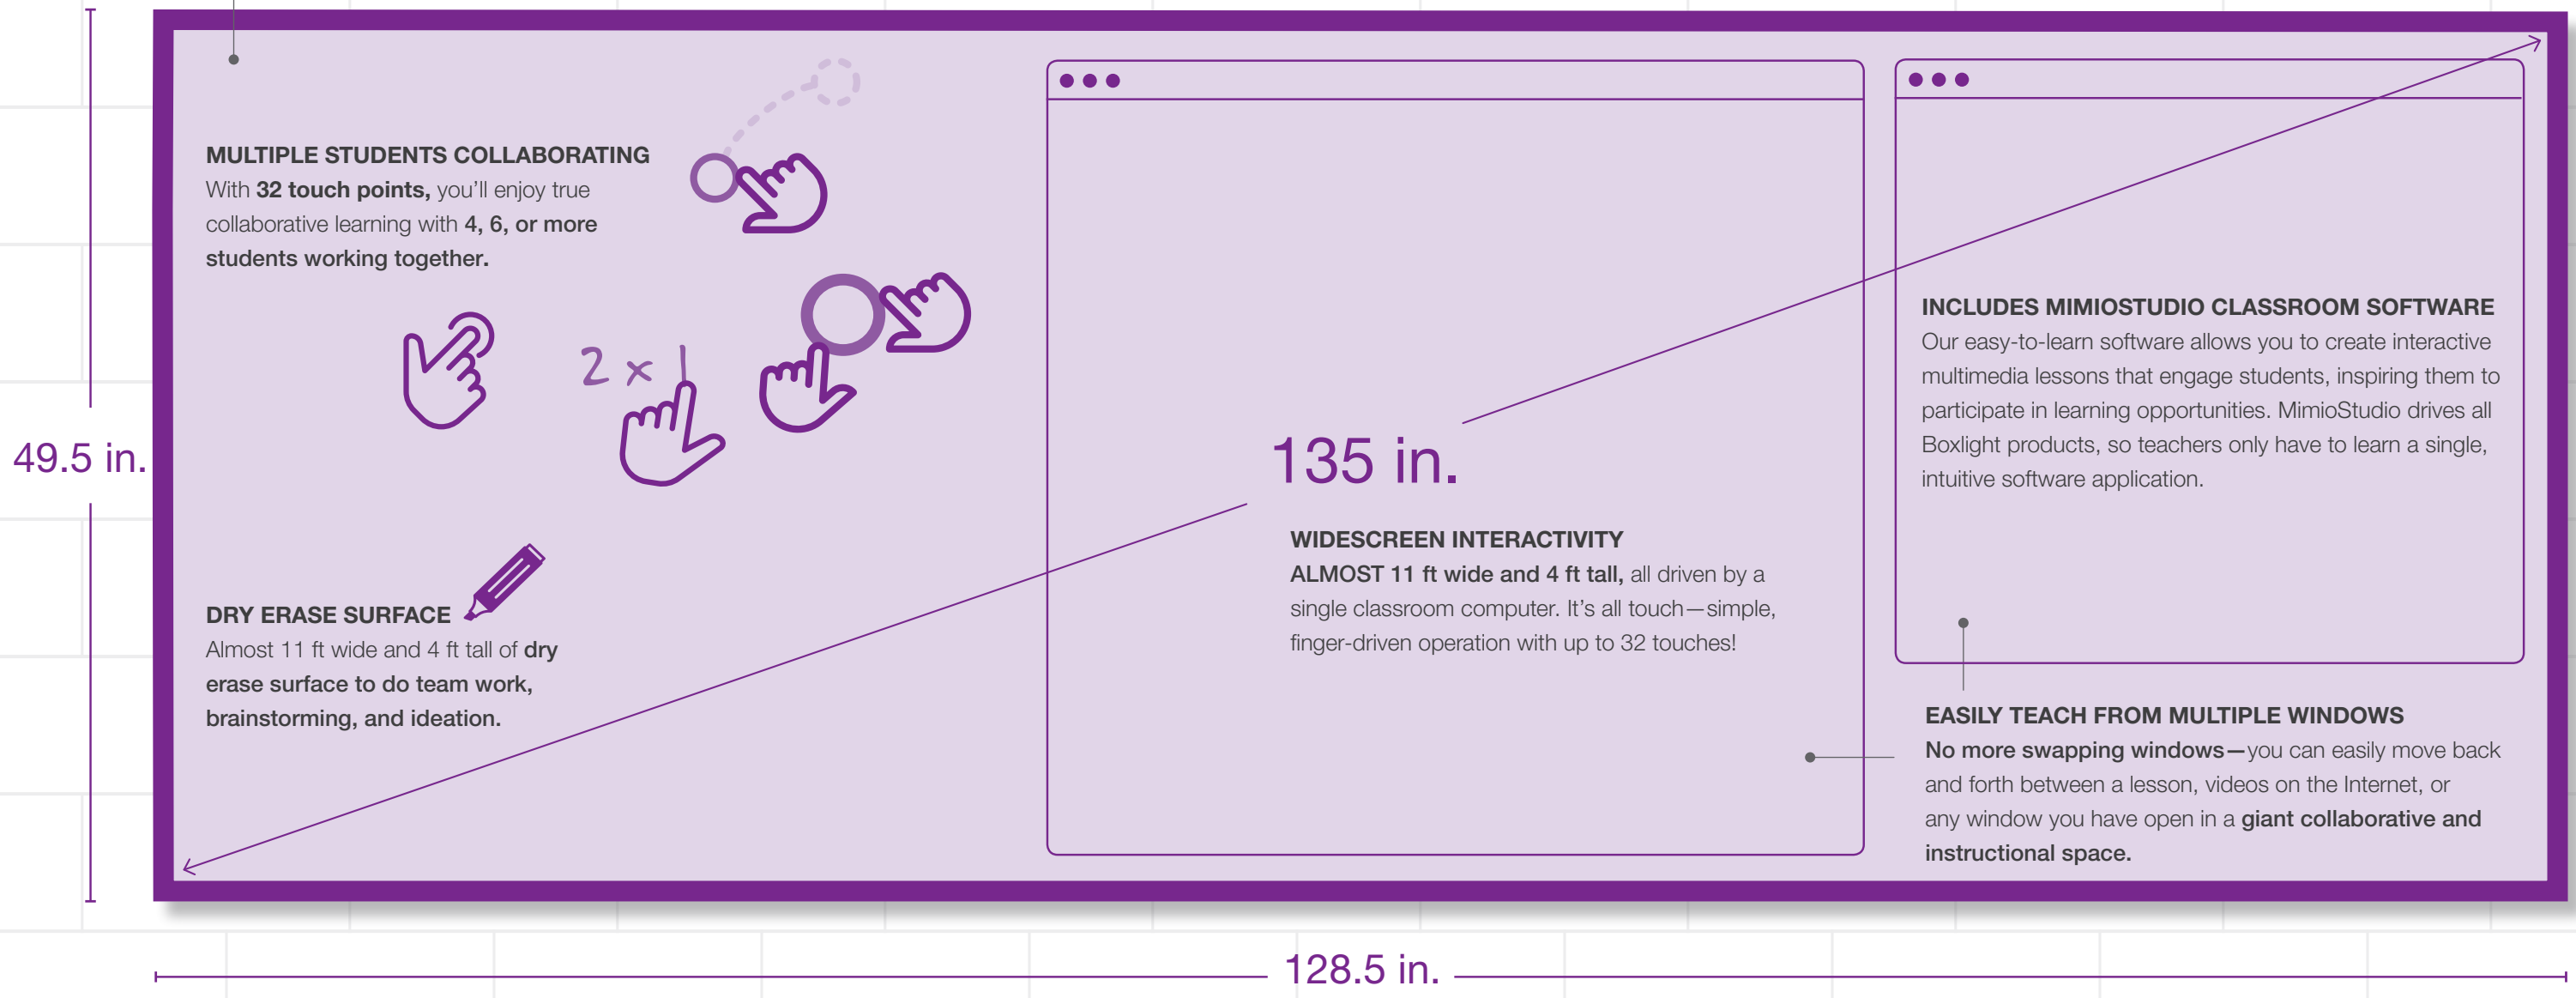

CREATE A HUGE INTERACTIVE AREA

With the MimioSpace system of a touch board, ultra-wide laser projector, and classroom software, you have the **digital classroom of the future now**.

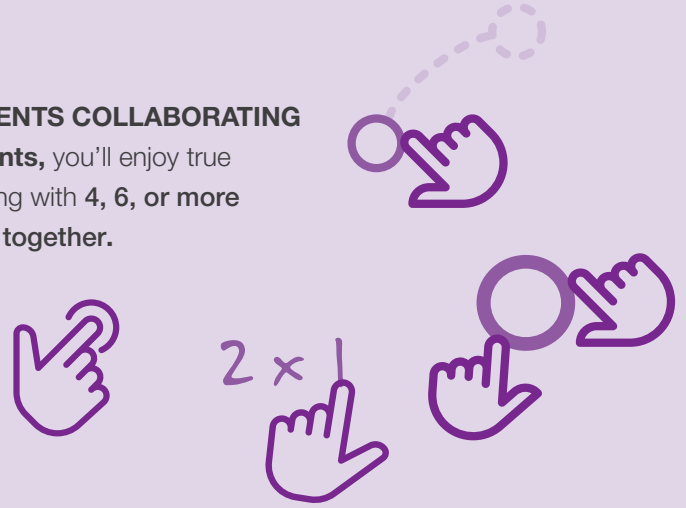

LASER PROJECTOR

Over **20,000 hours of brilliant images** with no down time or blown bulbs and consistent color that lasts.

MULTIPLE STUDENTS COLLABORATING

With **32 touch points**, you'll enjoy true collaborative learning with **4, 6, or more students working together**.

DRY ERASE SURFACE

Almost 11 ft wide and 4 ft tall of **dry erase surface to do team work, brainstorming, and ideation**.

135 in.

WIDESCREEN INTERACTIVITY

ALMOST 11 ft wide and 4 ft tall, all driven by a single classroom computer. It's all touch—simple, finger-driven operation with up to 32 touches!

INCLUDES MIMIOSTUDIO CLASSROOM SOFTWARE

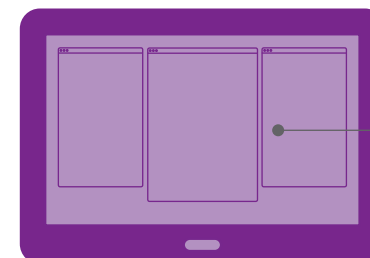

Our easy-to-learn software allows you to create interactive multimedia lessons that engage students, inspiring them to participate in learning opportunities. MimioStudio drives all Boxlight products, so teachers only have to learn a single, intuitive software application.

EASILY TEACH FROM MULTIPLE WINDOWS

No more swapping windows—you can easily move back and forth between a lesson, videos on the Internet, or any window you have open in a **giant collaborative and instructional space**.

MimioSpace collaborative system

- Ultra-wide laser projector
- Touch board surface with 32-point Touch 360° interactivity
- MimioStudio lesson creation, collaboration, and assessment software

ENGAGE, COLLABORATE, AND ASSESS WITH EASE

MimioStudio collaborative and assessment software allows educators to create dynamic interactive lessons and activities. The software also opens SMART, Promethean, and PowerPoint files at the object level, enabling educators to use the interactive content they already have.

Imagine the teacher moving around the classroom while remaining in full control of the front-of-the-room display using their mobile device or MimioPad® wireless tablet? It's no problem with the three free MimioMobile app connections!

WHOLE-CLASS LEARNING

MimioStudio software—so easy to use and engaging, your teachers will use it every day.

The MimioSpace collaborative system includes the dynamic MimioStudio classroom software. It connects the Boxlight products, so using other tools—from the document camera to the pen tablet—is quick and easy. MimioStudio software allows educators to create interactive lessons and collaborative activities, as well as perform real-time formative assessment. The software also opens other IWB activities, enabling educators to use the interactive content they already have. **Take learning even further with our MimioMobile app, which brings group learning and collaboration to almost any device.**

Specifications

Touch Technology	Boxlight Touch 360 IR (infrared)
Touch Area Diagonal Size	135 in.
Dimension Overall	128.5 in. x 49.5 in. (3,263.5 mm x 1,256 mm)
Dimension of Tracking Area	123 in. x 46.2 in. (3,130 mm x 1,174 mm)
Aspect Ratio	16:6
Touch Points	32
Touch Tool	Finger, stylus, or solid object
Stylus	Passive styli are weighted and balanced for interactive use
Tracking Response Time	10 ms
Minimum Object Size	3 mm (0.12 in) x 3 mm (0.12 in)
Frame Finish	Rigid extruded aluminum frame with high-gloss finish
Surface	Durable nano-coated steel, excellent for dry erase markers
Tracking Data Connector	USB Type-A Female
Calibration	Manual using 4 or 9 points
Power Consumption	< 2.5 W
OS Support	Multi-touch: Windows 7+; Single-touch: Linux, Mac
Operating Temperature	-10° to 50° C (14° to 122° F)
Storage Temperature	-20° to 60° C (-4° to 140° F)
Humidity	Up to 90% RH from 0°C to 40°C, non-condensing
Net Weight	28 kg
Gross Weight	34 kg
Package Size	3,433 mm L x 1,426 mm H x 80 mm D (135 in. x 56 in. x 3.2 in.)
Touch System Lifetime	>50,000 hours of use

What's in the Box

PROJECTOR

P12LNU ultra-wide laser projector, AC power cord (4 m), HDMI cable (5 m), remote control with battery, and wall mount

TOUCH BOARD

135 in. 16:6 aspect ratio 32-touch whiteboard, mounting brackets, quick start guide, and MimioStudio software license

Support You Can Count On

We know how important it is to feel confident in the tools you use every day, so we make sure you can count on our products and service. We offer flexible training resources, our MimioConnect™ online educator community, and US-based in-house, dedicated product specialists. Email, chat, or call us 24/7/365 and we will be there to support you.
