Truly the glass of fashion!

Turn your blank walls into something extraordinary with purpose.

UNITY GLASS WALL - COMMERCIAL SERIES

- Transform your old whiteboards and walls with the new Unity Commercial Series Glass Wall panel system. Unity is engineered to incorporate the best qualities of magnetic glass markerboards with a modular full wall whiteboard ensemble.
- Unity will modernize and elevate your walls instantly with smart style and functional whiteboard space, ideal for communication, collaboration, and creativity. Create a user-friendly and inviting room-sized presentation surface.
- Tempered safety glass is suited for use in any environment, from industrial to classroom and everything in between. Steel-backed glass accepts rare earth magnets.
- The glass wall system measures either 6' or 8' high to create a complete glass wall.
- Glass is available standard in gloss white, gloss black, or in any of our seven Hierarchy glass colors. Create one sleek monochrome wall, or mix and match for a custom appearance.
- The Commercial Series features slim and modern aluminum trim along the top and bottom edge.
- Fifty year limited warranty. SCS Indoor Advantage Gold Certified.
- **PLEASE NOTE:** because of the construction of the glass boards, there is no way to accommodate cut outs for outlets or light switches. Please take this into consideration when planning your glass wall mounting locations.
