LX Workstation

Single or Dual User Workstation

In Stock

LX Workstation

- Matching classic good looks with unparalleled versatility, the LX Workstation is ideal for any personal office space, training room, or other working environment. Available in a 48" wide model for a single user, or in a 72" wide model for dual users.
- Each workstation features a .75" thick top in teak or gray vacuum-formed PVC, a black base with powder-coated steel legs, and locking CPU cabinets. Locking CPU cabinet on the LX 48 measures 23.5"H x 14.5"W x 21"D, and each on the LX 72 measures 23.5"H x 9"W x 21"D.
- A retractable keyboard shelf includes a built-in pen and pencil holder and measures 22"W x 10.5"D. Cable management grommets and conduits feed through the underside of the desktop and through the leg to keep cords organized and out of the way.
- Has achieved GREENGUARD GOLD Certification.
- Pop-Up Grommet Outlet & USB Charger provides instant desktop power and charging accessibility.
