Economy Wall Mount Workstation

Bring unparalleled ease of internet or database access virtually anywhere with the Economy Wall Mount Workstation. Ideal for use in medical facilities, warehouses, or other high traffic area where computer access for multiple operators is needed, this innovative design brings flexibility and saves valuable floor space.

- Includes a sturdy 1.13" powder-coated steel post that mounts securely at any height with heavy duty bolts.
- Adjustable for use as a sitting or standing workstation.
- Components can be mounted in any order, at any height, and independently adjusted or rotated on the pole. Pole includes plastic clips to keep cables and cords neatly under control.
- Quick-release monitor mount is VESA compatible and offers height, 180° tilt and pan adjustments for optimal viewing, as well as portrait to landscape orientation capabilities. Extends up to 19.5".
- Optional second monitor mount available separately for dual monitor set ups. Each holds up to 25 lbs.
- Keyboard tray (25.63"W x 8.63"D) extends up to 17.5", tilts, and rotates for ergonomic positioning.
- Includes adjustable clamps to keep your keyboard secure, a mouse platform, and padded wrist rest. Folds for compact storage when not in use.
- CPU holder (max capacity 7.5"W) is also independently positionable along the center pole.
