## INSIGHT MAGNETIC GLASS BOARD

- Dramatic glass style meets dynamic versatility with the elegant and modern InSight Magnetic Glass Board in low iron white.
- Add seamless style to any environment with low iron glass and sleek concealed hanging system, providing a minimalist element to your workspace.
- Tempered safety glass provides smooth writability with unparalleled erasability. White glass is low iron, which greatly reduces the green cast of regular glass, providing a more true white coloration. Matte gray glass provides a good projection surface as well as exceptional writability and erasability.
- Durable steel backing allows the board to accept rare earth magnets.
- Compatible with any dry erase or wet erase marker, grease pen, etc. and easily cleans without ghosting or staining.
- Can be hung horizontally or vertically. Concealed mounting devices give a seamless appearance.
- Includes glass accessory tray, set of rare earth magnets, and eraser.
- Customize the glass panel in a variety of ways to personalize your workspace, including color and graphic printing options.
- Fifty year limited warranty. Has achieved GREENGUARD Gold Certification.
