

Technical Specifications

Spectrum's multi purpose desk works well with laptops, tablets, or desktops & is built to last. Optional power module keeps you connected! Designed not only to optimize the distance education classroom, but also to solve many of the current education challenges faced by students and educators. Because of its design features, this desk is a real workhorse. Available in 29½"H and 27½"H versions.

Features and Benefits

- 'Z' Legs located at edges of desk maximize leg room
- Worksurface cutout allows installation of power/communication module (includes rectangular grommet blank)
- Scratch and impact-resistant 1½" high-pressure laminate worksurface
- Cord channel conveniently keeps computer wires and cables out of the way and is wide enough for most power strips
- Each desk comes with a cord channel extension that creates a continuous channel between connected desks
- Desks can be attached together side-by-side in a row with included brackets
- Variety of optional accessories allow easy adaptation to unique classroom environments
- Worksurface sway brace adds strength and minimizes flexing
- Steel modesty panel adds strength and stability
- Leveling glides keep desk level on uneven surfaces
- Warranted to be free of all defects in materials and workmanship with a 10-year warranty

Construction

- The worksurface is constructed from 1½" thick NAUF (No Added Urea Formaldehyde) composite board with .030 high-pressure laminate on one face, and a balancing phenolic backer on the opposing face
- Worksurface edges are finished with 3mm vinyl edge-band
- Welded, 16-gauge 2" x 2" square steel tube legs
- 20-gauge cord channel/modesty panel
- All metal components are finished with a scratch-resistant powder coat epoxy
- Bottom leg rail includes weld-nuts for attaching glides or wheels
- Multi-Use Student Desks are shipped knocked-down (KD) and require assembly

Warranty is void if product is not used for its intended purpose or subjected to an unusual application, multiple-shift use, alteration, accident, abuse or abnormal wear and tear. Representations of colors on-line and in printed materials are meant to be a close reference to the actual colors but not an exact match. Slight variations in color and texture of wood stains, powder coating, laminates, fabrics and other materials are normal in different manufacturing lots; as such these variations are not considered defects.

DESIGNED FOR INDOOR USE ONLY – Unless specifically stated in the product specifications, Spectrum's products have been designed and constructed for indoor use only. Moving or using outdoors, or on excessively rough surfaces, may cause damage to the products and will void the warranty. If an outdoor application is desired please contact us to discuss potential custom design solutions.

The warranty, as stated above, supersedes any previous warranties and is effective as of 9/1/2010
