

Slot-in PC Network Media Player

Compatible with 70" CDE7051-TL and 84" CDE8451-TL

NMP-707

The ViewSonic® NMP-707 network media player delivers smart whiteboard functionality for ViewSonic interactive models CDE7051-TL and CDE8451-TL. This slot-in PC module easily plugs into compatible displays and supports high-definition audio and video. With a powerful Intel® i5 processor, the NMP-707 provides the computing power needed for educational, corporate, or scientific environments. In addition, an integrated Windows® 8 Pro operating system delivers Windows-compatible touch functionality such as a pull-out charm bar and simple navigation to a variety of applications. The NMP-707 is capable of storing and playing hours and hours of high-definition multimedia content thanks to its 4GB of built-in memory and 500GB HDD storage. Connectivity options include RJ45, VGA out, and four high-speed USB 2.0 ports.

Packed with Powerful Intel Processor

Utilizing an Intel Core i5 processor, the NMP-707 provides additional computing power needed for fast-moving educational, corporate, or scientific environments.

Integrated Windows 8 Pro Operating System

Pre-installed with Microsoft® Windows® 8, the NMP-707 provides access to MS Office Suite applications ideal for both corporate and educational use. A built-in browser provides users instant access to the internet, while Windows 8 compatibility creates an interactive and collaborative experience.

4GB of Internal Memory, 500GB HDD Storage

The NMP-707 is capable of storing and playing hours and hours of high-definition multimedia content thanks to its 4GB of built-in memory and 500GB of HDD storage. This reliable media player will display dynamic content with no crashes, freezes, or lost content.
