CONNECT. CREATE. COLLABORATE.

FALL/WINTER 2021

THE INTERACTIVE **ECOSYSTEM** FOR YOUR WORKPLACE

Newline bridges the gap between traditional office collaboration and virtual collaboration. This intelligent and flexible workspace helps you work more efficiently, faster and better. With the option to build your technology ecosystem or integrate with your current system—Newline streamlines your workplace technology.

We believe that truly impactful and innovative products should be easy for anyone to use. Each Newline product was purpose-built with simplicity in mind, making each interactive flat-panel user-friendly and completely non-proprietary.

The work landscape may have evolved, but our commitment to your success by providing solutions to your everyday needs has not changed. From our award-winning interactive displays and desktop devices, to our cutting-edge software and accessories—Newline is the premier technology partner for your business.

TRANSFORM YOUR WORKPLACE

Newline is a one-stop shop for business. Our all-in-one solutions and accessories give you all the innovative tools you need.

Newline focuses on creating products that help you work more efficiently. From our award-winning and easy-to-use interactive touch panels, to our innovative desktop solution and wide range of software, Newline has everything you need to bring in-person and remote work success into your business.

Easy for Anyone to Use

If a solution isn't easy to use, we won't bring it to the market. All of our products are designed with you in mind and it is the key to our success.

Completely Non-Proprietary

We work in your world. No matter what software or hardware you want to use, our solutions give you the freedom to collaborate how you choose.

Moving On Up!

Newline is the 2nd largest manufacturer of interactive displays in the United States. Our business model keeps us growing like none other.

“We Help Your Business Make an Impact”

We Own the Factory

Newline has complete control over product improvements and how much is produced. We listen to our clients and their needs to make sure the products we provide help them succeed.

Well-Stocked Local Warehouses

With warehouses in strategic places across the country, Newline gets displays to their destination faster than ever with same and next day shipping. You'll never have to worry about if Newline can fill an order.

Q Series

Modern Connectivity

Avoid adapter mishaps and incompatibility. The Q Series has the latest I/Os such as USB-C (with power), Bluetooth, and WiFi.

Embedded Whiteboard

Make the best use of virtual/hybrid meetings with a feature-rich whiteboard. Import docs, images, and videos in one app.

Newline App Store

Don't sacrifice the tools already in use. Download your project management, meeting, and news apps compatible with touch.

New to the market! Your team has varying levels of needs, so naturally your office hardware must be equipped to meet that demand. Connectivity that matches your personal devices, displays to rival even the best televisions, and integration that makes for a seamless transition. Leverage the power of the Q Series for today's complex collaboration landscape.

RS+ Series

Collaboration is important to your team. You desire to build spaces that foster efficient, digital communication. Your checklist consists of dependable connections, the ability to share wirelessly, digital whiteboarding, and a low learning curve. Check all the boxes with the RS+ Series collaborative touch screen. It brings teams together and working sessions to life.

Antimicrobial Surface

Empower your team to use the interactive features without sacrificing their safety. An antimicrobial surface helps mitigate the spread of germs.

App Store

Increase collaboration across the board with the curated app store, connecting you to the apps you need with touch functionality.

Object Recognition

Unintuitive products can slow you down rather than help. The RS+ object recognition makes the writing experience seamless.

NT Series

Advanced Remote Control

Non-touch doesn't mean limited screen control. The provided double-sided remote is equipped with an air mouse and QWERTY keyboard.

Digital Signage Management

Save time with pushing out OTA updates, mass notifications, and rotating messages through remote display management.

OPS Computer Enabled

Upgrade your digital screen with an optional OPS on-board computer. Unlock exponentially more functionality when conducting meetings.

Newline also offers a non-touch display solution for your presentation halls and signage. Your office runs non-stop and so can your technology. The commercial-grade design allows the NT Series to run continuously 24/7. Ensure the highest quality visual presentations and digital office signage with Newline's NT Series non-touch display.

FROM OUR CUSTOMERS

John O'Hara
 Director of Technology
 National Flight Academy

"The 28 Newline touchscreens have been instrumental in setting the immersive tone at the National Flight Academy. Our students depend on these touchscreens as they plan, brief and coordinate each of their missions. The National Flight Academy has been extremely pleased with their performance."

Tom Eifler, Jr.
 President
 Eifler Advisory Group

"With the whiteboard feature, to be able to actually talk about ideas and concepts, I feel like people are very visual, so if you can draw it out and show it to them, it really settles in and helps them understand."

Eric Matthews
 Director of Information Technology
 City of Allen

"Newline panels provide a consistent, high-quality conference room and video conference experience for our employees that is simple to use."

Jay Arbetter
 Senior Vice President
