## THE **POWER OF GOOGLE** IN YOUR CLASSROOM

Everything you can do on a Chromebook, you can now do right on your interactive display using the integrated Newline Chromebox powered by CTL. Newline's Chromebox solution connects you to everything great about Google for your learning environment. It comes pre-loaded with Google Docs, Google Sheets, Google Classroom, Google Drive, and the Google Chrome browser. Along with access to Google Play, thousands of apps are free for you to download. The Newline Chromebox turns your Newline display into a giant, ultra-high definition Chrome OS computer - providing you with a seamless and optimized touch experience!

# Use all the latest Google apps - now on a 4K display!
