

TRULIFT Motorized Mobile Stand Model #: EPR8A60060-000

Product Details

- Max weight capacity of 264.5 lbs
- Height range from 29.5 in to 55 in off the ground
- Meets VESA standards; Up to 800x600mm
- Compatible with all Newline Interactive displays

Easy to adjust

Our TRULift motorized mobile stand provides a motorized height adjustment, allowing you to position your **TRU TOUCH** interactive display screen from 29.5 inches up to 55 inches high off the ground. Quickly and easily adjust your display to a custom height that fits your needs.

Easy to change screen position

Swivel your screen's position back and forth with ease. You can have your touchscreen display lay vertical on the stand, have it lifted at an angle, or completely horizontal. No need to buy a separate stand to accommodate multiple positions.

Easy to move around

The 2 piece lockable wheels provide easy movement for your display to travel. Simply wheel the mobile stand around your office and lock the wheels in place once you have reached the best spot for your presentation.
