NEWLINE SOFTWARE SOLUTIONS

SOFTWARE TO TRANSFORM COURSE DELIVERY

Newline Interactive offers several software solutions integrated into the full range of our interactive displays. These intelligent tools help you connect with your students better, smarter, and faster. Large class sizes and auditoriums will no longer be a challenge for collaboration and lecture interactivity.

Built for the digital age, these solutions allow you to quickly and easily start your lectures. Gone are the days of technical issues that waste valuable instruction time. Engage massive crowds and distant learners as if they were all in an intimate classroom setting. Wirelessly cast mobile screens to the display, broadcast content to everyone's devices, whiteboard and collaborate with students in real-time, apply mass notifications and centrally manage all of the displays on your network.

With Newline at the heart of every classroom, lecture hall, or lab, all of your lessons will have elevated communication and engagement.

All Newline Software Solutions are compatible with:

newline CAST

WIRELESS SCREEN SHARING

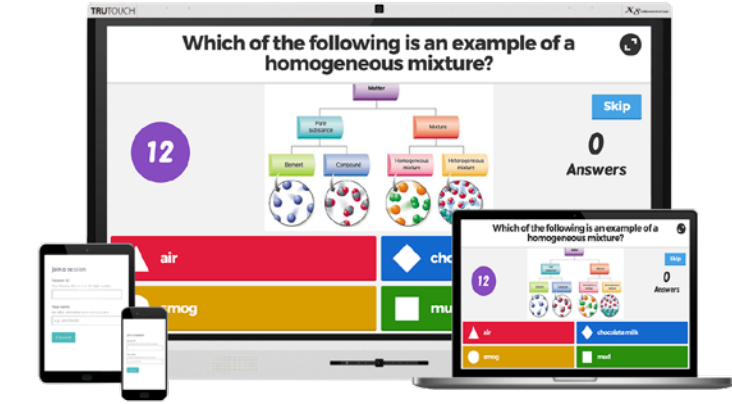

Easily share your screen from any device. Newline Cast is simple to use, with one click you can present wirelessly from any network. Control and annotate from the Newline display or from your own device all with the freedom to walk around the room.

newline BROADCAST

CONTENT SHARING TO LARGE CLASSROOMS

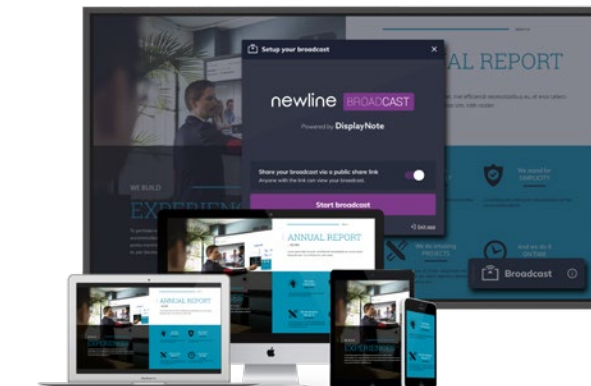

Tap one button and share your display screen with the students who may not be able to see the display as clearly. They can follow along with the lesson on their own personal screen, reducing eyestrain and making sure everyone gets the most out of the day's lesson.

newline DISPLAY MANAGEMENT PLUS

REMOTE DISPLAY MANAGEMENT

Centrally manage your Newline interactive displays in any location through a secure and dedicated web portal. Easily manage and deploy apps, configure Newline display settings, use the digital signage features or broadcast messages to all displays.

NEWLINE COMPUTER SOLUTIONS

PLUG AND PLAY COMPUTERS FOR YOUR DISPLAY

Education and its delivery is ever-changing. Equip your learning spaces with computers that empower your interactive solutions and make differentiated learning easier and more engaging.

Fill your display's OPS slot with an on-board computer powered by Intel that brings you all the power of a desktop computer built right into your display. Customize your OPS with our selection of options to find the best fit for your needs.

NEWLINE ACCESSORIES

Support your ever-changing campus spaces with reliable products that support Newline's innovative designs. Mount your panel to a wall or choose a more mobile mounting solution.

Wall Mounts

STURDY AND RELIABLE

Mount your display to the front of the classroom with a wall mount. Sturdy wall mounts maintain easy visibility of any panel size at the front of your room. The light, compact design makes it easy to install while providing strength and durability.

Mobile Stands

MOBILIZING CAMPUSES

Take your Newline interactive display anywhere on campus with a Mobile Stand. A mobile stand leaves you free to place the display anywhere in the room you like, or take it from lecture hall, to classroom, to lab.

ACCESSORIES PARTNERS

Newline partners with a variety of different mobile stand and wall mount providers to help you find the best fit for your needs.

FROM OUR CUSTOMERS

"People here have found the X7 to be very easy to use—so easy that they often do not need assistance from local technical support. This of course means that those of us doing technical support like the X7 a lot!"

Mark Baratta
Director, Computing, University of Washington

"What the TRUTOUCH does for us is simplify the footprint for instructional technology. I can have one device and that one device does everything that I need. If you're looking to create a smaller footprint in your instructional technology platform, then the TRUTOUCH is absolutely the way to go."

Kelly McClure
Director, Information Technology Services, Cameron University

"In a generation that has grown up with the iPhone and touchscreen technologies, the TRUTOUCH interactive touchscreen makes sense to students and they respond positively (and intuitively) to it."

Tim Salm
Director, Robinson Memorial Library, Saint Joseph's College

"Mid-State Technical College is pleased with this product and partnership with Newline. We look forward to growing our relationship and seeing the future possibilities from the company."

Chris Severson
Executive Dean, Education Services, Mid-State Technical College
