

DispensGun

Simplifies the application of medium- to high-viscosity fluids

DispensGun simplifies the application of medium to high viscosity fluids.

Part #	Description
7023133	3cc barrel size
7023137	5cc barrel size
7023125	10cc barrel size
7023134	30cc barrel size
7023141	55cc barrel size

Rugged, all-metal DispensGun® makes easy, controlled applications of difficult-to-apply fluids. A 10:1 mechanical advantage means very little squeeze is required to dispense even the highest viscosity fluids. Complete flow control and positive shutoff mean no oozing or dripping.

The DispensGun features an adjustable grip for smaller hands. It's available in five models to accept 3cc, 5cc, 10cc, 30cc, and 55cc syringe barrels and pistons.

Dispense sealants and vinyl adhesives without ooze. Easily apply grease, paste, glues, and epoxies without drips or mess.

Features and Benefits

- Ergonomic design
- Fatigue-free dispensing of thick fluids
- Positive shutoff, no dripping
- Simplified maintenance
- Reusable

Applications

- Fiber-optic assembly
- Field dispensing
- Light assembly
- Rivet coating
- Lubricating
- Sealing
- Window frame sealing
- Solder paste
- Glob top
