- ✓ Dual stud mount (includes 16" stud adaptor plate)
- ✓ Telescopic design extends between 15.6" to 30.3"

- ✓ Simple design for easy installation
- ✓ Cable management to avoid cable clutter

The OPCWM1100 projector wall mount for the Optoma ultra short throw DLP® projector features a high quality telescopic arm and adjustable mounting plate for perfect installation with a screen or interactive whiteboard in education or corporate environments.

EASY INSTALLATION: A single installer is able to attach the wall mount to the wall to ensure a safe and secure installation for the projector.

SCREEN SIZE: Ideally suited to the Optoma ultra short throw projector giving a maximum projected image of 100".

FLEXIBILITY: To fit a variety of different screen sizes using the telescopic mount with multiple locking points. Universal mounting plate provides the flexibility for the mount to fit other brands of ultra short throw projectors.

ADJUSTMENT: The mounting plate can be adjusted horizontally and vertically for fine adjustment for projection on to a screen or interactive whiteboard.

CABLE MANAGEMENT: Cleverly designed to ensure cables are concealed to ensure a neat, tamper proof installation.
