DESCRIPTION

The video-conference camera shelf installs easily on dual-pole carts and stands. This shelf includes a center slot for securing a video-conferencing camera, which is ideal for mobile cart applications where there is a greater chance of movement and/or possible damage to camera. The shelf also features a hole for a 1/4"-20 camera screw.

FEATURES

- 12 x 15 in. shelf holds up to 25 lb.
- Works with any dual-pole cart and stand
- Safely supports video-conference camera with 1/4"-20 camera screw

**LIFETIME
WARRANTY**
