

ACCXT400

SMARTMOUNT XT

Recessed Power Outlet with Low Voltage In-Wall Cable Routing

Compatible with Peerless-AV® SAX762PU and SAX772PU mounts

The In-Wall Cable Routing and Power Accessory, from Peerless-AV, provides a flush cable management solution. The accessory fits easily inside the wall mounting plate of compatible Peerless-AV flat-panel mounts and creates the perfect in-wall solution for you to plug in your devices and run your low voltage cabling. This tidy routing and power accessory provides surge suppression protection for your valuable electronic components.

FEATURES

- Fits neatly into the SAX762PU or SAX772PU wall plate, for a flush installation
- 15 amp/125 volt duplex power receptacle with surge suppressor protection
- Three cable pass-throughs route low-voltage cabling inside the wall
- Low-profile design allows for a flush installation to complement the mount's slim design
- Clean installation provides power outlet directly behind the flat-panel display
