

Installation and Assembly: Cable Release Kit

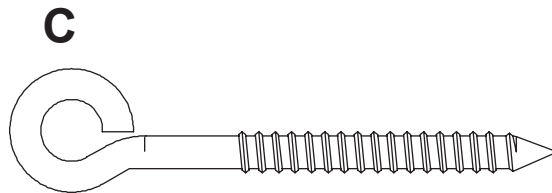

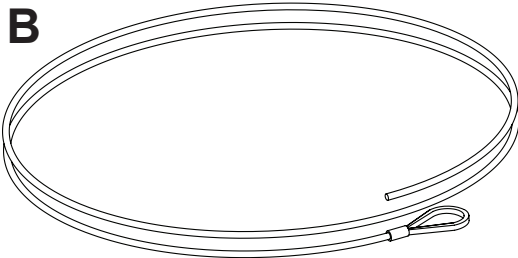

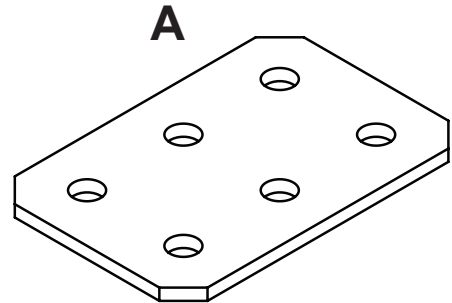

Model: DS-ACC765

NOTE: Read entire instruction sheet before you start installation and assembly.

Parts List

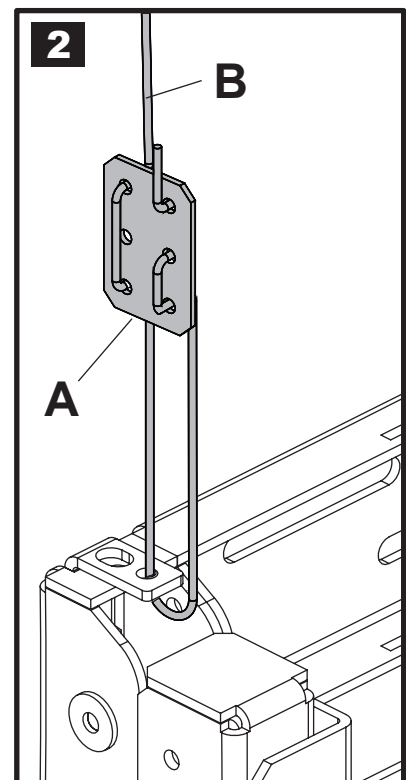

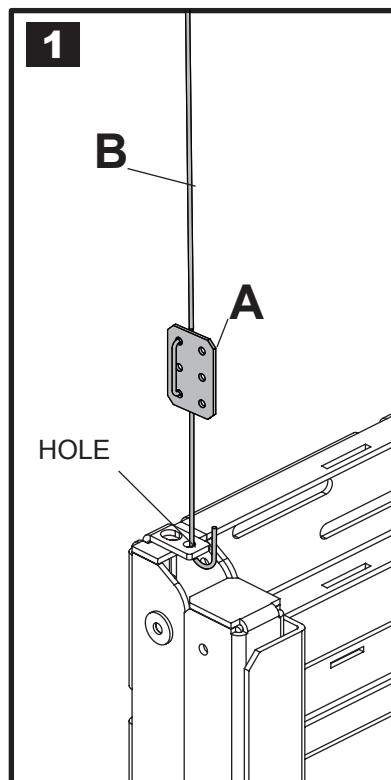

Description	Qty.	Part #
A fastener plate	4	145-1144
B cable	4	600-0226
C eyebolt	4	580-0006

Before you start make sure all parts listed are included with your product.

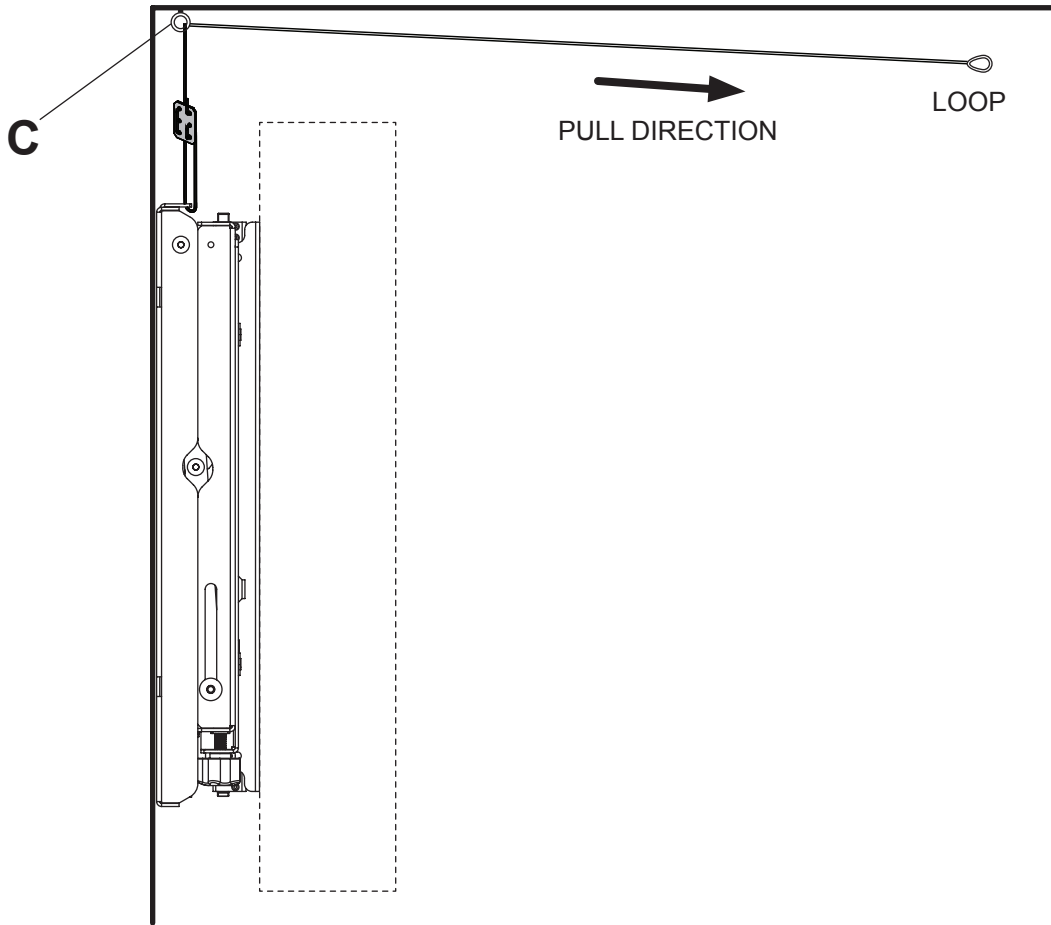

1

1. Run cable (**B**) through hole in pull-out mount assembly and fastener plate (**A**) as shown.
 2. Run cable (**B**) through hole in release mechanism and up through second row of holes in fastener plate (**A**) as shown.
 3. **For easy accessibility:** Tape or secure loop end of cable onto top of display or wall.
- REPEAT STEPS WITH OPPOSITE SIDE OF VIDEO WALL MOUNT.**

Optional Eyebolt

- 2** If display is placed in recess and cable cannot be pull straight up, use eyebolt (C) in corner. Run loop end of cable (B) through eyebolt (C) as shown.

- 2** Position DS-ACC765 cables in locations as shown. Additional Cable Release Kits may be required if more than three displays are mounted horizontally.
