# SEAMLESS CONNECT

## dvLED Mounting System

FOR ABSEN ACCLAIM PLUS AND ACCLAIM PRO SERIES DIRECT VIEW LED DISPLAYS

Peerless-AV's SEAMLESS Connect Series dvLED Mounting System is designed exclusively for the Absen Acclaim Plus and Acclaim Pro Series Direct View LED Displays. Offering slim, space-saving designs, this 1:1 modular dvLED video wall mount is a flexible solution that can be installed in any configuration (landscape, portrait or 45 degree angles). With depth adjustment, precision mount spacing, easy-hang hardware and a robust steel frame, integrators can quickly and easily build the perfect dvLED video wall. Peerless-AV® also offers start to finish support through the SEAMLESS dvLED Video Wall Integration Program. The Peerless-AV dvLED Solutions Team is there every step of the way to ensure every customer receives SEAMLESS product support and service.

# Absen

- Stockable 1:1 modular solution for quick order fulfillment
- Flexible design allows the installer to micro-adjust the depth from the front and back of the mount
- String alignment feature simplifies the vertical plane alignment process
- Gently install displays on the mount with the included interface bobbins
