Peerless Industries, Inc. ("Peerless-AV") warrants to original end-users that each Peerless-AV® mounting product will be free from defects in material and workmanship, under normal use, for the applicable warranty period (from date of the original installation of the product). At its option, Peerless-AV will repair or replace, or refund the purchase price of, any product which fails to conform with this warranty.

Any implied warranty of merchantability or fitness for a particular purpose shall be limited to the period of the express warranty set forth below.

In no event shall Peerless-AV be liable for incidental or consequential damages, whether or not secured by a security device which may be included with the product.

Some states do not allow limitations on how long an implied warranty lasts, or the exclusion of incidental or consequential damages, so the above limitation and/or the above exclusion may not apply to you.

This warranty does not cover damage caused by incorrect selection, installation or the failure to follow Peerless-AV instructions or warnings when installing, using or storing the product.

This warranty gives specific legal rights, and you may also have other rights which vary from state to state. To make a warranty claim in North America, contact Peerless-AV customer care at 1-800-865-2112. Queda a la discreción de Peerless-AV, reparar, reemplazar o reembolsar el precio de compra de cualquier producto que no cumpla esta garantía.

Toda garantía implícita de comerciabilidad o de idoneidad para un propósito en particular quedará limitada al período de vigencia de la garantía explícita indicada en lo siguiente.

Peerless-AV no tendrá responsabilidad, en caso alguno, de daños y perjuicios incidentales o indirectos, ya sea que el producto esté o no esté asegurado con un dispositivo de seguridad que se haya incluido con el producto.

Algunos Estados no permiten que se establezcan limitaciones en relación con el período de duración de una garantía implícita ni la exclusión de daños y perjuicios incidentales o indirectos, de manera que es posible que la limitación o la exclusión expuesta en lo anterior no sea pertinente a usted.

Esta garantía no cubre daños causados por selecciones o instalaciones inadecuadas o por no seguir las instrucciones o las advertencias de Peerless-AV al instalar, utilizar o guardar el producto.

À sa discrétion, Peerless-AV réparera ou remplacera tout produit qui n'est pas conforme à cette garantie, ou en remboursera le prix d'achat.

Toute garantie implicite de qualité marchande ou d'aptitude à une fin particulière doit se limiter à la période de garantie expresse indiquée ci-dessous.

Peerless-AV ne peut en aucun cas être tenu responsable de dommages accidentels ou consécutifs, que le produit ait été fixé ou non à l'aide d'un dispositif de sécurité inclus dans l'emballage.

Certains États n'autorisent pas la limitation de la durée d'une garantie implicite ou l'exclusion de dommages accidentels ou consécutifs, de sorte que la limite ci-dessus et/ou l'exclusion ci-dessus peuvent ne pas s'appliquer à votre situation.

La présente garantie ne couvre pas les dommages causés par une sélection erronée, une mauvaise installation ou le non-respect des instructions ou des avertissements de Peerless-AV lors de l'installation, de l'utilisation ou de l'entreposage du produit.

Peerless-AV repariert oder ersetzt nach eigenem Ermessen ein Produkt, das dieser Garantie nicht entspricht, oder erstattet den Kaufpreis dafür.

Die Dauer einer stillschweigenden Garantie der handelsüblichen Qualität oder Eignung für einen bestimmten Zweck ist auf den Zeitraum der unten angegebenen ausdrücklichen Garantie beschränkt.

Auf keinen Fall haftet Peerless-AV für Neben- oder Folgeschäden, unabhängig davon, ob das Produkt durch eine eventuell mitgelieferte Sicherheitsvorrichtung gesichert war oder nicht.

In einigen Staaten ist die Beschränkung des Zeitraums für stillschweigende Garantien oder der Ausschluss von Neben- oder Folgeschäden nicht zulässig, sodass die oben aufgeführte Einschränkung und/oder der oben genannte Ausschluss auf Sie möglicherweise nicht zutreffen.

Diese Garantie gilt nicht bei Schäden, die aufgrund falscher Auswahl, Installation oder Nichtbefolgung von Peerless-AV-Anweisungen oder -Warnhinweisen bei der Installation, Verwendung oder Lagerung des Produkts entstehen.

Naar diens keuze zal Peerless-AV elk product dat niet aan deze garantie voldoet, repareren of vervangen, of de aankoopprijs ervan vergoeden.

Elke geïmpliceerde garantie van verkoopbaarheid of geschiktheid voor een bepaald doel blijft beperkt tot de hieronder vermelde periode van uitdrukkelijke garantie.
