

GC-UNV

Universal Gaming Console Mount

For Screens up to 42". Holds PS3™, XBOX 360™ and Wii™ internally.

Take game-console protection and flat-panel mounting to the next level with Peerless Universal Game Console Mount. This ultra-versatile mounting solution securely houses the most popular game consoles including: PS3, XBOX 360, Wii and more. This feature-full game and display mount offers three set tilt positions and provides plenty of ventilation for proper operation of the game console. Offering attachment to a single stud, a desktop or virtually any Peerless mounting solution this mount is versatile and easy to install -- that means practically limitless options, whether installing in a hotel, hospital, bar, restaurant or home.

FEATURES

- Universal mount protects the game console from theft
- Ventilation on the top, bottom and sides allows access and prevents game console overheating
- Mounts directly to a single stud, desktop or Peerless compatible mount
- Television can attach to the front of the mount via VESA® hole patterns of 100, 200, 200 x 100mm and PLP
- For wall applications, TV tilts 0, 5 and 10 degrees
- Multiple PLP pattern provides height adjustability when attaching directly to a Peerless compatible mount

Screen size: up to 42"

Max load: 100lb (45kg)

UNIVERSAL DISPLAY MOUNT

Offers VESA® Compliant mounting hole patterns and multiple PLP patterns to support virtually any Peerless mount for universal display compatibility

IDEAL GAME PLAY

Offering 0, 5 and 10 degrees of tilt for the mounted display for a great viewing angle

SUPPORTS MOST POPULAR GAMING CONSOLES

Securely houses PS3, XBOX 360, Wii and more...

DETER THEFT AND TAMPERING

Made from 14 gauge steel and includes security fasteners to deter theft and tampering of AV equipment

Clean appearance. Hide the game console and house the cables behind the display.
