- Height adjustment points in box to set display in desired position
- VESA® 75, 100, 200 x 100 and 200 x 200mm compliant
- Can be inverted to position display to the right or the left

In-wall Mount For 22"-40" Flat Panel Displays

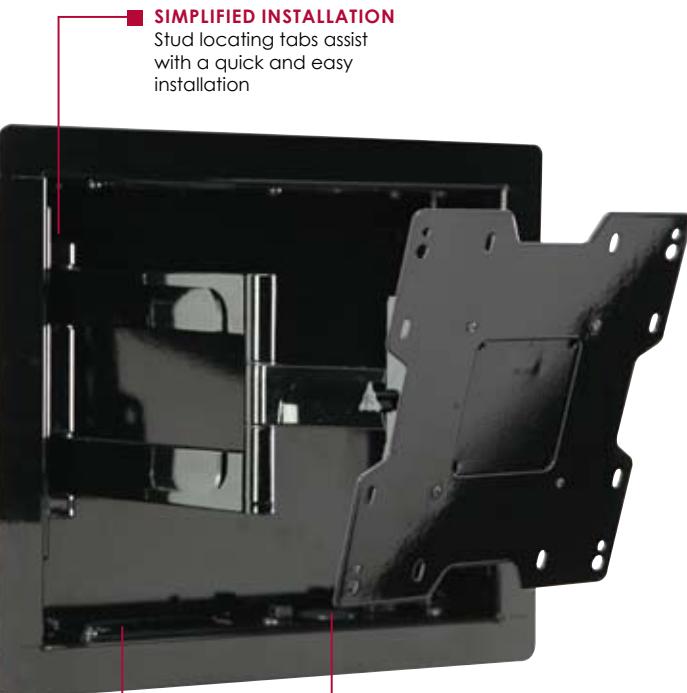

Make the most of your flat panel experience by installing it flat against the wall with Peerless-AV IM740P In-Wall Articulating Arm. Installation is quick and easy thanks to the mount's stud-locating tabs that fit the in-wall box snugly between 16" wood stud centers. View the flat panel display in its virtually no-profile home position, or extend the arm up to 13.75" to watch it practically anywhere else within the room. This mount is so flat, it may even allow installations to meet ADA requirements.

Display size: 22"-40"

Max load: 80lb (36kg)

SIMPLIFIED INSTALLATION

Stud locating tabs assist with a quick and easy installation

POWER, NO PROBLEM

Easily install an outlet with a built-in removable outlet receptacle

CLEAN APPLICATION

Integrated cable management provides ample space to run cables

Removeable outlet receptacle

Stud locating tabs
