Paramount LCD Ceiling Mount
For 15" - 24" LCD Flat Panel Screens

NEW!

No wall space? No problem. The ceiling is a great place to mount a flat panel when there is no wall available. Ceiling installation is made simple with PC930s one-, two-, three- design. Simply attach the ceiling plate, attach the adapter to the screen and hook-on the TV – Done. This VESA® compliant LCD mount delivers the ultimate in positioning options with its tilt and infinite swivel to achieve an ideal flat panel viewing experience.

Safety catch designed into extension channels ensures user and equipment safety

Internal cable management within extension column for a clean, clutter-free installation

Adjustable tilt with optional lock in 5° increments for easy viewing angle adjustment
