PARAMOUNT™

Universal Tilt Wall Mount

FOR 39" TO 90" DISPLAYS

The Paramount™ series wall mounts provide versatile and multi-functional features. With PT660, a low-profile design positions the display just 2.63" (67mm) from the wall. The Hook-and-Hang™ system offers easy, one-person installation of the display. The Easy-Glide™ adaptors hook onto the wall plate for a quick, simple, and secure installation. Achieve perfect positioning of the display with the side-to-side adjustment after installation. A ratcheting handle provides locking tilt capability for quick adjustments to the amount of tilt, reducing glare and optimizing the viewing angle. Lock the tilt angle at installation to prevent tampering or moving with the IncreLok™ tilt technology.
