Special Purpose Video Wall Mount

FOR 46" TO 70" DISPLAYS

The DS-VWM770 Special Purpose Video Wall Mount from Peerless-AV allows designers to take video walls to the next level. Displays attach to the mount in 15 degree increments providing designers with an endless array of design possibilities. Ten points of microadjustment delivers the fine tuning needed to create a seamless video wall appearance. In addition, the mount extends from the wall and pivots for quick and convenient rear display access and servicing. Once finished, simply push the display back where it securely clips in the home position.

Additional Features

- ✓ Display attaches to the mount in 15° increments from 0° – 360° providing designers with endless creative possibilities
- ✓ Display extends from the wall allowing the user to easily service the video wall
- ✓ Ten points of micro adjustment provide precise video wall alignment
