GC Models

Game Console Security Covers
For PS3™ Slim, Xbox 360S™ and Wii™

Take gaming-system protection to the next level with Peerless Game Console Security Covers. With models that support all major systems, including Xbox 360S, PS3 Slim and Wii, Peerless Game Console Security Covers are built specifically for theft prevention and convenient entertainment in public places like hotel lobbies, hotel rooms, hospital rooms, bars, restaurants and retail locations. The covers are simple to install—each model requires just 4 screws to securely attach to walls or desktops—and they feature an attractive, high-gloss finish that beautifully compliments any system or room. A unique ventilation design prevents overheating, while open side panels make it effortless to plug in controls and connect output devices without compromising the security of the system.

LB (KG) Max load: 25lb (11.3kg)

FEATURES

- Game console security cover prevents theft

- Open access to console connection points, buttons and CD slot or tray

- Cover allows for ventilation to prevent overheating
