Kiosk & Mounting Solutions

→ For the LG 86BH5C Ultra Stretch Signage Display

→ Ultra Stretch Signage Solutions

Optimize your dynamic digital content with Peerless-AV's versatile solutions, exclusively for the LG 86BH5C Ultra Stretch Signage display. Ideal for a wide array of applications, including transportation terminals, retail stores, commercial offices and more.

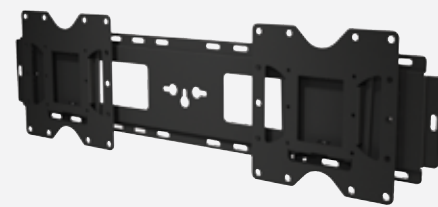

FLAT WALL MOUNT

LG-WMF86BH

- Low profile design mounts display just 0.96" (24.5mm) from the wall for a discreet installation
- Easy hang wall plate saves time and reduces cost
- Display adaptor plate simply hooks onto the wall plate for a quick and easy installation
- Coated in scratch-resistant fused epoxy

Landscape or Portrait orientation

ULTRA STRETCH PORTRAIT KIOSK

KIP586-1LG(-S)(-DISP), KIP586-2LG(-S)(-DISP), KIP586-3LG(-S)(-DISP), KIP586-4LG(-S)(-DISP)

- Stand-alone or fully integrated with displays that ship separately (-DISP models only)
- Arrives assembled to simplify installation of components and reduce set-up time
- Minimalistic, curved design accentuates the digital content, and fits into any retail or lobby setting
- Opening in base to route electric and data cables
- Radius corner base covers the four low profile rubber coated casters, which allow the kiosk to be maneuvered easily
- The four padded feet stabilize the kiosk on uneven surfaces
- Custom colors available

Easy to Move and Position

Available to hold one, two, three or four display configurations
