HOW DO YOU SET A NEW STANDARD?

It's been the driving force behind our family business for over 100 years. We know what it takes to make the level best luggage and the sturdiest tool cases available. Today, we can see a shift in the way the world works. So once again, we've set a new standard in smart, durable, high-quality tool bags that keep you ready to move. Introducing Benchmark Tool Bags by Platt.

SMART. DURABLE. AND YES, PROFESSIONAL.

Inspired by professionals, designed for professionals, Platt Benchmark Bags take your work to the next level with smart features and quality craftsmanship – all to keep your tools safe and ready wherever you're getting the job done.

WHAT MAKES IT A BENCHMARK?

A combination of ease, strength and smarts that just didn't seem to exist in other tool bags. Working with people who use their tools for living, the team behind Platt Benchmark set out to make bags that can stand up to the toughest jobs yet make it easier to find, carry and protect your tools. And to give it your own personal touch – a customizable patch area allows you to feature your company logo, and MOLLE system links let you attach your own accessories.

WHAT DO WE MEAN BY "INDUSTRIAL STRENGTH"?

Benchmark bags are made with the same super-strength material used to protect fire hoses, oil rigs, pommel horses, and even punching bags. Our vinyl-coated polyester is the perfect fit for tool bags because of its incredible durability.
