

# KEYFEATURES

- 1 Steel Construction:** Built with Steel supports, the Just-A-Stand was designed to handle a tower full of devices.
- 2 Stability:** Keeping with the small footprint of Towers by PowerGistics, the Just-A-Stand legs have angled steel legs to allow for maximum stability within a small space.
- 3 Adjustable:** Keeping your Just-A-Stand level is important. With an inch of play, you can make sure your PowerGistics Tower stands straight and tall.
