## Secure Charging Solution For Handheld Devices

Cell Tower10

Perfect for Cell Phones and VR devices*

1 **Cable Management Eyelet:** Specifically designed to allow enough cable to charge devices while securing each cable to eliminate loss & damage.

2 **Open Concept Door:** Allows for quick visual inventory of devices, while the door ensures security.

3 **Optional Lock:** This unit comes with the ability to add a keyed or padlock.

4 **Sliding Panel Power strip Access:** Convenient access while hiding power strip.

Securely stores and charges devices up to 7.5" x 3.75"

* Compatible with iPad, iPhone, iPod, Smartphones and Tablets.
* Plug into any wall outlet and charge up to 10 USB devices simultaneously.
* Please note: Charger functions only as a power source, does not transmit data.

Desktop or wall mountable
