DESCRIPTION

This adjustable height swingout mount for small flat-panels was designed for the healthcare industry. The AM18W supports flat-panels up to 18 lbs or with a VESA mounting pattern of 75x75mm or 100x100mm. The flexible mounting arm extends up to 63in and includes a built-in double gas spring system that aids in height and length adjustment. Mounting head offers tilt, swivel and rotation.

FEATURES

- 90° of omnidirectional movement
- Key hole mounting slots for faster installations
- Smoothly extends up to 63 in. for comfortable viewing
- Designed for the healthcare industry (i.e. hospitals, dentist office)
- Cable management to keep power and signal protected and organized.
