BID SPEC

Data Sheet

Bid Specification Document

DESCRIPTION

The INW-AM100 is a recessed, wall mounted storage box for the AM100 swingout mount. Installed with the AM100, the box provides plenty of storage area for cable and power sources, including domestic and international, with cutouts to provide access to run power and signal cables for a clean and concealed look.

FEATURES

- The INW-AM100 installs with the AM100 ultra-slim swingout mount for recessed storage area for cables, power sources, and other AV or IT equipment
- Nesting for cable and power sources
- Cable routing through cutouts
- Added security with a cover for storage area with lock and key
