DESCRIPTION

This mobile cart combination includes the PSD-EB60C and the CTM-MS2 tilting flat-panel mount. The PSD-EB60C elliptical floor stand includes 60 in. polished chrome poles and can be used as a mobile display cart or static stand. The included CTM-MS2 mounts, feature 12° of continuous tilt and built-in lateral shift. Patented Griplates™ (US Patent number 8,035,757 B2), hold the flat-panel display permanently in the desired position.

FEATURES

- Adjustable flat-panel placement along poles for perfect viewing height
- Includes two locking and two non-locking, heavy-duty casters
- CTM-MS2 features patented Clevis technology for effortless tilt
- Flat-panel mount provides three vertical height mounting options for carts and stands
- Patented Griplate™ system holds display securely in place
