## DESCRIPTION

This mobile cart combination includes the PSD-EB72C and CTM-MS2 tilting flat-panel mount. The PSD-EB72C elliptical floor stand includes 60 in. polished chrome poles and can be used as a mobile display cart or static stand. The poles also serve as a conduit for cabling. Both of the CTM-MS2 mounts included in the combo, feature a unique lightweight, robust universal design and 12° of continuous tilt.

## FEATURES

- Built-in lateral shift for horizontal adjustment of flat-panels
- Locking and non-locking casters for increased stability
- Adjustable tilt feature with 12 degrees of continuous tilt
- Cable management options through or between poles with optional cover packs

**LIFETIME  
WARRANTY**
