DESCRIPTION

This configuration includes one dual articulating arm mount and a 15" single pole with horseshoe grommet base. The grommet base fits any 2 1/8" cable routing hole, standard in a standard office desks, cubicles or industrial consoles. Each mounting head provides 90° of omni-directional movement. Included set screws allow the mounts to be positioned anywhere along the pole.

FEATURES

- Mounting head provides 90° of omni-directional movement
- Key hole mounting slots for faster installations
- Through counter base allows cable and power to be routed through a solid surface
- Set screws allow the mount to be positioned anywhere along the pole
