

PFC-OMND Mount for Samsung Dual-Sided 46" & 55" Displays

Model: PFC-OMND

Product fabricated and ships from Premier Mounts in Corona, CA, USA

FEATURES

- One SKU can be mounted on the ceiling or floor. Two SKUs required for floor-to-ceiling configuration.
- Both the 46" and 55" versions of the OMND Series will fit on this single SKU.
- Mounting holes every 1" allow for height adjustments of display rather than locking into one single position. Can easily be raised or lowered.
- Plastic covers hide cables and mounting screws for a clean and finished look.
- Installation kit comes with a template to mark hole locations without having to place mount up for install. Great for ceiling installs so holes can be pre-drilled reducing prolonged overhead mounting.
- Our mounting footprint for ceiling or floor mounting complies with all state and federal regulations for proper separation of anchor holes in 3000 psi concrete slabs.

Finish: Black Powder Coat

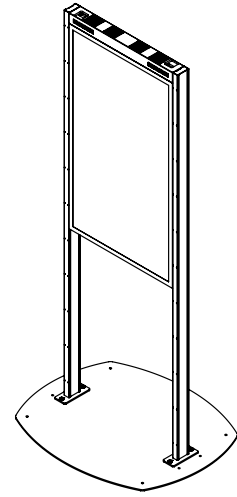

The PFC-OMND is a revolutionary new mount for the Samsung OMN-D that can be mounted on the ceiling, floor or floor-to-ceiling and accommodates either the 46" or 55" Samsung OMN-D displays. (floor-to-ceiling requires 2x PFC-OMND) This mount was engineered to allow for height adjustment so the viewing height is perfect based on your application.

The PFC-OMND mounting solution can be enhanced by adding an optional Premier PFC-OMND-B portable steel floor stand base for use in additional applications such as trade show booths and retail spaces.
