Promethean's next-generation interactive panel delivers our most robust, seamless, and secure user experience yet, offering features that respond to the unique needs of teachers, IT administrators, and school leaders.

With its easy authentication and secure sign-in options, streamlined connection to your content, flexible lesson delivery systems, and myriad ways to personalize the user experience, ActivPanel 9 Premium offers everything you need to revolutionize how you teach and transform how students learn.

ActivPanel 9 Premium

 **Connectivity**

Our patented ActivSync technology creates a continuous connection between your panel and device, providing easy access to your content and unparalleled file sharing.

- Save and open files quickly and easily between your panel and your device
- Navigate your panel with an intuitive remote so you can move around the classroom freely
- Work seamlessly with educational platforms like Google Classroom and Microsoft Teams
- Access your content and customizations from any ActivPanel 9 with your roaming profile
- Connect your device directly to the panel with one cable for your audio, video, and data

 **Simplicity**

An intuitive interface, user-friendly design, and easy customization capabilities allow teachers to focus on teaching, not technology.

- Sign in with ease and get started the moment you switch your panel on
- Create a Promethean account so you can personalize your user profile and access it from anywhere
- Customize your settings and menu with your favorite apps and tools
- Capture your screen and quickly save it to the panel, the cloud, or your device
- Open two browsers on the panel at once for improved instruction
- Collaborate and communicate in the classroom with Screen Share

 **Security**

With enhanced security and sign-in options, teachers and IT administrators can rest assured that personal data will be kept safe and confidential.

- Authenticate with multiple sign-in options, including a password, QR code, Promethean desktop app, and NFC card
- Keep your personal data private within your Promethean account, not on the panel
- Install security updates through remote panel management
- Lock your panel quickly and easily when you need to be away for a short time
- Sign out of your panel from anywhere, ensuring your data is kept safe

 **Adaptability**

ActivPanel 9 Premium helps schools provide students with optimal educational experiences in all learning environments—from in person to remote to hybrid to blended.

- Record lessons, including classroom voices and panel content
- Share recorded lessons with remote and absent students through any platform
- Screen share in real time for hybrid and blended learning situations
- Work seamlessly with educational platforms like Google Classroom and Microsoft Teams

Longevity

With its expanded memory, durable design, and innovative technology, ActivPanel 9 Premium is a state-of-the-art edtech solution that's built to last.

- USB-C with 100 watts of power delivery
- Integrated microphone array that captures voices in the classroom
- Flexible connection options with seven forms of video inputs and outputs
- Improved viewing from anywhere in the classroom and increased writing accuracy with bonded glass
- Vellum touch technology with pen and finger differentiation, palm erase, advanced palm rejection, and 20-point touch

As part of our complete edtech solution, Promethean offers a variety of accessories to help you use your ActivPanel to its full potential.

Promethean Chromebox

The Promethean Chromebox is the perfect solution for extending an existing Chrome OS™ ecosystem to the ActivPanel, providing certified and seamless access to your preferred apps from the Google Play Store.
