

Meets ANSI/ESD S20.20 and Packaging standard ANSI/ESD S541

Features

- Space saving, economical method of storing reel.
- Includes steel wire frame for extra strength.
- Sizes available to fit 7" and 13" reels.
- Available with corners allowing the reel holders to be stacked securely without slipping (47205 and 47206).
- Made from extruded, high impact polypropylene material.
- Product ships assembled.
- Chemical and moisture resistant.
- Visual slot for viewing reel inventory.
- Includes thumb notch for easy access and removal of reel.
- Made in America.
