

JOURNEY 13 - Multi Touch LED Panel

55", 65", 75", & 85" with 4K

Advanced Pro Touch Technology

Introducing QOMO's newest **Journey 13 Series** LED panel with a brighter, clearer image and ultra fast response. The new Journey 13 panel gives users a more accurate tactile experience that requires virtually no calibration.

With an advanced Android interface, annotate over any window and input. Enjoy free movement while accessing your Android toolbar easily.

With Built-in Apps Created With You in Mind

The **Journey 13 Series** comes with a suite of specially selected apps to suit your needs, including a full Office Suite, Chrome browser, YouTube and Airplay. With Microsoft Office Suite, you get Word, Excel, & PowerPoint all at your fingertips.

Airplay allows users to seamlessly stream content from any apple device to the panel. The Journey is the perfect solution for a connected classroom and allows for the possibility of a BYOD environment. No one is left behind!

Built in Office Suite Pro

Explore QOMO's content rich and interactive software solutions, provided free for QOMO users.
