### Familiar Interface

With QClick PowerPoint Plug-In, teachers **don't have to learn a whole new program**, or recreate lessons into an external SRS software.

QClick allows teachers to use a **familiar interface**, and can use PowerPoint lessons they've had for years!

### Fun & Effective Lessons

With QClick, teachers can spend more time focusing on **captivating content** and **fun lessons**.

QClick offers many activity modes, including Normal, Rush, Elimination, Survey/Vote, Roll Call, Freestyle & Homework (Homework available on QRF700 & 900 only)

### Quick Assessment

No hand-grading! Generate results instantly, **after each question**, as well as detailed student & class reports **after quizzing**. Export reports as **PDF, Word, or Excel** to share with the students.

Report formats include Student Session, Student Response, Study Guide, Question, Group, & Roll Call.
