

fact!

I have a high definition
8 MP camera & built-in mic so you can
capture with clarity.

easy plug & play. portable & ready to go.

A document camera that doubles as a document scanner and a webcam.

The QPC22 is a high quality, affordable, and ultra-portable doc cam that doubles as a document scanner and webcam.

It features USB connection for image and video capturing, and the low energy consumption LEDs provide illumination in any condition. This camera is the perfect balance between quality and portability, making it ideal for transporting and presenting wherever you are.

Bring tiny details to life.

There's no need to sweat sharing the small stuff when you can blow it up in bright, beautiful color with a document camera.
