Tips for Assembly - Using this Manual

Watch for These Helpful Symbols

 This symbol denotes a 2 Person Task. For safety, please ensure that there are two people working on steps displaying this symbol

• Watch for this symbol throughout the Assembly Instructions. Wherever you see it, pay close attention. The symbol denotes a step needing extra attention to ensure it is done correctly.

• The Star symbol highlights an advisory note

Before You Begin

- Layout and identify all of the included parts
- The hardware has been packed by step
- Read the assembly instructions over once to familiarize yourself with them
- Please note that in its unassembled state, this product contains parts that can be a hazard to small children; it should be assembled by an adult.

As You Assemble the Unit

- Follow the steps in sequence
- Before beginning each step, find the part(s) that you need for that step
- Pay attention to the labeling on the parts, they are there to help direct you at certain stages
- The title of each step states what you will be doing. Review the text and the pictures as you build the unit.

VICKI CARUANA

In everyone's life at some time our inner fire goes out. It is then burst into flame by an encounter with another human being. We should all be thankful for those people who rekindle the inner spirit.

My idea of education is to unsettle the minds of the young and inflame their intellects.
