"UNITE" ADJUSTABLE BASE

PRECISE
Our handset provides 4 programmable positions along with an LED readout of desk height. No more searching for your favourite positions.

SPEEDY
At 1.5 inches per second, our lifting speed swiftly moves you from one position to another.

SMART
The sophisticated programming in our control box creates the quality of movement you'd expect from a high-end product.

- Software ensures soft start/stop
- Hall sensor measures speed and alignment
- Temperature sensors protect circuitry and motors to assure long life

STRONG
We only use powder-coated steel construction and powerful DC motors with high lifting capacities.

"UNITE" 2 Leg Adjustable Base
- Full height range: seated keyboard to full standing (23.5"-49")
- 330 lb lifting capacity
- 1.5 inches/second
- LED programmable handset
- 2 Powerful DC motors.
- Adjustable leveling legs

"BALANCE" SERIES ADJUSTABLE BASE

"BALANCE" provides distinct advantages over electric. No power consumption saves energy! Faster adjustment, just seconds top to bottom and back again! No cords to plug in! No complicated electronic controls!

- Unique synchronization enables adjustment even with uneven loads
- Precision tube and rollers for the smoothest adjustment
- Easy control of speed with release mechanism
- Eliminates the possibility of accidental release by the design of the release handle

Adjustable height, 26"- 45.7"

WIRELESS CHARGE PAD

Qi Enabled Wireless Charging
Charge your phone hassle free with a new wireless charge pad. Wireless charging: simply place down any Qi-enabled device or device equipped with a Qi-compatible transmitter, Recessed installation Many different wireless charging technologies are starting to emerge on the market. New phones have the built in Qi transmitter required for wireless charging; older phone require a transmitter. We do not provide the transmitter but they are available online in a multitude of varieties, Compared to other models that are surface mounted, this recessed version stays in place and won't shift around the desk during use.
7188018090

Transmitter not included.

WIRELESS DRAWER/CHARGER

Qi Enabled Wireless Charging
New wireless drawer charger will change how you feel about drawers forever! Now you can easily charge your smart phone or tablet in two ways! If you have a wireless transmitter built into your phone, simply place your phone on the red built-in charger pad and charging begins. Or use one of the two integrated USB ports.

LOFLAME® VINYL TACKBOARDS

- Attractive vinyl fabric
- Popular clolor ranges
- Easy to clean
- Self-healing vinyl
- Laminated to 1/2" soft fibreboard
- Attractive Aluminium frame
- Complete with mounting hardware
- Custom sizes available through special order

Early Warning Effect
- When heated above 300° Fahrenheit the wallcovering gives off a colourless odorless vapour that will set off the alarm on a ionization smoke detector.
Koroklear
- A protective coating that offers superior protection and a barrier against staining.
