

LED Ring light 60T-B

- Metal housing
- Integrated controller electronics
- High brightness , flicker free
- Switching power supply for use worldwide (100-240V)
- No bulb change, lamp life up to 25,000 hrs.
- Outstanding price-performance ratio
- 60 LEDs
- Integrated controller for continuous dimming and separate on/off switch
- Wide range of working distance 50 – 150.
- No bulb change, lamp life up to 25,000 hrs.
- Maximum luminance
- 15000 lx (at 100 mm free working distance)

DRAFT

Technical Data

Diode:	60 brightness LEDs
Color temperature:	approx. 6800 K
Working distance:	50 – 150mm
Max. illuminance:	15000lx (at 100mm working distance)
Dimensions:	Outer Ø: 100mm / inner Ø: 60mm / height: 30mm
Controller:	Integrated, dimmable
Supply voltage:	12V DC
Input voltage:	100-240
Main frequency:	50 – 60Hz
