

LED Ring light 60T

- Metal housing
- Integrated controller electronics
- 4 Illumination modes selectable
- High brightness , flicker free
- Switching power supply for use worldwide (100-240V)
- No bulb change, lamp life up to 25,000 hrs.
- Outstanding price-performance ratio
- 60 LEDs
- Integrated controller for continuous dimming and zone selection, separate on/off switch
- Wide range of working distance 50 – 150.
- No bulb change, lamp life up to 25,000 hrs.
- Maximum luminance
- 20000 lx (at 100 mm free working distance)

DRAFT

Technical Data

Diode:	60 brightness LEDs
Color temperature:	approx. 6500 K
Working distance:	50 – 150mm
Max. illuminance:	20000lx (at 100mm working distance)
Dimensions:	Outer Ø: 100mm / inner Ø: 60mm / height: 30mm
Controller:	Integrated, dimmable and 4 Zone selection
Supply voltage:	12V DC
Input voltage:	100-240
Main frequency:	50 – 60Hz
