#SCL Smart Cart Lectern

The OS® "Computer Friendly" Lectern is a Ready-to-Assemble multipurpose Computer Lectern cart featuring a 2" deep area for a laptop that locks with a slide out locking shelf for projectors and multimedia equipment. Three locking doors provide secure storage on three inner shelves for equipment and A/V material. Wire management grommets on inside for laptop, LCD projector, and accessory equipment use. Constructed from high quality melamine thermo fused MDF with a stained pine wood finish on the base. This unit rolls on four 4-inch casters, with two locking. Assembly required. With the evolving needs of schools towards computer friendly furniture and equipment, this affordable, in stock, quick ship lectern station fills a need for many presentation applications.
