

Peerless HG series Articulating Dual-Arm with Vertical Adjustment For 42" to 65" Plasma & LCD Flat Panel Screens

The new Peerless HG series of flat panel mounts extend the stylish look of today's flat panel TVs from the screen to the mount to the wall providing a clean, elegant look to any installation. This universal line of high gloss piano black and high gloss silver add an upscale appearance to any installation.

The Peerless HG series PLAV70-UNLP-GB(GS) seamlessly displays the largest screens up to 65" and weighing up to 200 lb. Its dual-arm design provides effortless adjustability of the screen to extend, swivel and tilt plasma or LCD TVs for optimal viewing.

- High gloss piano black and high gloss silver colors match the color of plasma or LCD TV
- Universal mount fits virtually any 42" to 65" screens
- Vertical adjustment enables the screen to be lowered or raised 1" after installation for fine tuning
- Roll feature allows for easy screen leveling
- Cable management keeps cords organized and out of sight
