75lb (43.1kg)
per display

SMARTMOUNT.

Flat Panel Video Conferencing Cart

FOR TWO 40" TO 55" DISPLAYS

The SR555E SmartMount® Video Conferencing Cart offers an array of features perfect for any setting where telecommunication is required. The mobility of the cart eliminates the need for multiple video conferencing systems, lowering your overall system cost. The structure is optimized to hold two 40"-55" displays, providing clear visibility for all participants. The camera locates anywhere above either display, for near perfect eye contact during your meetings. A lockable storage area houses all components inside the enclosure and the upper door doubles as a laptop workstation when needed.

Additional Features

- ✓ Displays can be located anywhere along the column for perfect viewing height (up to 60" at center)
- ✓ Integrated cable management protects, contains and conceals cables for a clean, professional installation
- ✓ Maneuvers easily on 4" (102mm) swivel casters, two locking
- ✓ Corner bumpers protect walls and doorways from damage
- ✓ Fully welded base structure provides rigidity, stability and quick assembly
- ✓ Textured black powder coat finish helps to hide finger prints and dust while stainless steel accents provide an attractive appearance
- ✓ Open frame adaptor design to help prevent display component input interference
- ✓ Upright structure houses components in either 2RU 19" rack mount configuration or a shelf inside the lockable compartment
- ✓ 6 Outlet surge protector with 15ft cord housed inside the enclosure
- ✓ Upper compartment doubles as a work surface for laptops or keyboard/mouse and test monitor
- ✓ Universal mount fits displays with mounting patterns from 200 x 200mm up to 400 x 400mm

The mobility of Peerless-AV's video conferencing carts allows mobile video collaboration in your desired location.

Lockable enclosure

(2) 2RU rack mount locations provide ample space for rack mountable components

Locking upper door provides ideal work surface when open and secured storage when closed

Corner bumpers protect walls and doorways from damage
