

# Insulation Mat

P/N 99-10691-01 • \$149.00

## FUNCTION

This electrical insulation mat is an ideal means for adding a level of operator safety. The mat isolates the operator from ground while testing, which greatly mitigates the shock hazard.

## COMPLIANCE

- ASTM D178 Type II, Class 2
- Type II includes: A - Ozone Resistance  
B - Flame Resistance  
C - Oil Resistance

## SPECIFICATIONS

- 1/4" (6.35 mm) thick
- Dimensions 3' x 3' (91.44 x 91.44 cm)
- Proof test: 20,000 volts
