Southwire MULETAPE®*

Southwire MULETAPE pulling line increases pulling and installation efficiency on jobsites. It allows you to thread, measure and pull with a single product.

- Durable, low friction polyester tape
- Printed with accurate sequential footage markings
- Replaces pull line, conduit measuring tape and rope in most applications

SWMT2500-3000S

SWMT1800-3000S

SWMT1250-3000S

SWMT400-4500P

*Actual size

MULETAPE® is a registered trademark of NEPTCO Inc.

Southwire Conduit Measuring Tape

The 3,000 ft conduit measuring tape has easy-to-read markings in sequential one-foot increments.

- Provides quick and accurate measurement of conduit runs
- Printed with accurate sequential footage markings
- Will not rot or mildew

SWCMT160-3000S

160 LB SOUTHWIRE

*Actual size

Southwire Poly Line

Poly line for light duty cable or rope pulling applications.

- Ready-to-use storage container quickly dispenses a tangle-free line
- Line is resistant to rot and mildew
- Use to pull electrical and communication wire

QWIKrope®

An innovative, new, high performance pulling rope that is UV resistant, lightweight and ultra low stretch

- High performance pulling rope made from ultra high molecular weight polyethylene fibers
- 12 Strand, single braided 9/16" pulling rope with a breaking strength of 32,000 lbs.

Southwire Double Braided Pulling Rope

Cable pulling rope designed for high breaking strength with low stretch. The double braid weave provides enhanced strength and increased pulling capability.

- High strength and low stretch
- Resistant to UV rays, chemicals and abrasions
- Factory spliced pulling eye at each end
- Polyester double braid

GRIPS™ Pulling Heads

Dual lock pulling system using both a cam lock head and a double braided wire to quickly secure cable to rope without the fear of losing a conductor

- Double lock system
- Each double lock Maxis® Grips™ head rated at 4000 lbs.
- Holds securely to NO-LUBE® wire
- Disconnect wire from pulling heads in 2 minutes without cutting the wire

Pulling Head and Grips

Wire pulling accessories include light duty pulling grips and pulling heads.

Muletape® Pull Line
