Optio 72\"/>

Optio 96\"/>

The Optio Collaboration Table is the next generation of affordable, durable, and fully modular active learning collaboration furniture available for educational or corporate settings. Available in straight or tapered worksurface in 60\", 72\", and 96\" lengths. Two leg styles, three height options, two wiring channel styles, power, and display stand options give the user the ability to fully configure each table to their specific needs.

Features and Benefits

- Ships with 1-piece straight or tapered worksurface with matching color edge trim (some laminate choices use non-matching edge trim)
- Choice of cord channel or larger AV equipment channel
- Choice of T-legs (fixed) or eLift electric legs (adjustable-height) versions
- T-legs are available in elementary, adult, or standing worksurface heights
- T-legs are available with matching laminate insert panels
- Scratch and impact-resistant high-pressure laminate worksurface
- Durable powder coated steel legs provide a long-lasting finish
- Durable worksurface edge trim
- Worksurface braces provide support to minimize flexing
- ADA-compliant knee clearance under worksurface (72\" & 96\"L versions)
- Leveling glides keep table level on uneven surfaces
- Table ships “knocked-down” for lower shipping costs and can be easily assembled at the final location
- Optional Display Stand provides ability to attach most monitors (requires worksurface mounting holes)
- Warranted to be free of all defects in materials and workmanship for 10 years
- Designed and assembled in Chippewa Falls, WI, USA

Color Options

Available in Spectrum Expressions colors.
See spectrumfurniture.com for complete color information.

Ordering Instructions

Spectrum has designed this product to receive the useful options shown here.
To ensure your options are ordered correctly please call 1-800-235-1262.

Construction

- The one-piece worksurface is constructed from 1" thick NAF (no-added formaldehyde) composite board with .030" high-pressure laminate on one face, and a balancing phenolic backer on the opposing face
- Metal components consist of 16 and 20-gauge steel
- Worksurface edges are covered with 3mm vinyl
- All metal components are finished with a scratch-resistant powder coat epoxy
- Tables are shipped KD (Knocked-Down) and require assembly

Note: Spectrum Industries, Inc. manufactures furniture that supports a wide variety of power and communication devices from a variety of manufacturers. This table is compatible with many Extron®, Crestron®, Kramer®, ECA® and other devices. Spectrum does not resell these products; *please consult your electronic supplier* for the equipment that best suits your needs. Size specifications from the manufacturer can be used to verify the fit.

⚠ Note: Some controllers and devices require additional space around the cutout for clamping under the worksurface. Please double check your device specifications to ensure adequate space around the cutout.

***When ordering a table or lectern with cutouts, specify complete details of the device(s) (brand, model number, cutout size, quantity, etc.) to the Spectrum sales rep when ordering.**

Note: Extron® Teamwork 400 package requires: (*) CC1202 cutout

Note: Extron® Teamwork 600, 601 packages require: (*) CC1402 cutout

Cord Channel

ORDER CODE 0 = None
ORDER CODE 1 = Cord channel

- Slim profile for smaller or minimal components
- Tray extends to end of table for routing cords to monitor
- Full-length opening on bottom of tray for easy cord access

Spectrum can provide cutouts exactly matching any commercially available data and electrical power outlet, but are only recommended within the maximum cutout areas shown. Cutouts made beyond this shaded area could interfere with the legs, wiring channel, or worksurface braces.

This table has been designed for many of the currently available surface-mount devices on the market.

Cutouts in blank worksurfaces can be made by the customer after the table has been assembled, but are only recommended within the cutout areas shown.

Shipping weight:	35 lb [15.9 kg]	

Cord Chase - 38999

- Cleanly routes wires and cords from cord channel or AV channel to the floor
- Compatible with eLift leg tables, and T-leg tables with laminate leg insert panel
- Two cord chases included
- 3"W [7.6 cm] x 1.425"D [3.6 cm] x 17"L [43.2]
- Shipping weight: 2 lb [.9 kg]

Power Module - 99058

- (2) AC power receptacles
- (2) USB charge ports
- Aluminum housing and flange
- Thumbscrew clamps
- Requires worksurface cutout made by customer
- ETL-certified
- Available in black, silver, or white
- Customer-installed

Cutout required:	5.65"W [14.35 cm] x 1.65"D [4.19 cm]
Power cord:	10' [305 cm] 14AWG *3C power cord
Power receptacles:	125V, 60hz, 15A tamper-resistant
USB charging ports:	2.1A (10.5W) (not data-compatible)
Dimensions:	6.38"W [16.2 cm] x 2.36"D [6 cm] x 3.54"H [9 cm]
Unit weight:	2 lb [.9 kg]
Shipping weight:	2.35 lb [1 kg]

Camera Mount - 55518

- Provides ability to mount camera for video teleconferencing
- Requires optional [Display Stand 37130](#)
- Mounts above monitor(s) for group teleconferencing
- Adjustable height shelf bracket provides ideal height
- Shipping weight: 5 lb [2.3kg]

EM Wireless Charging Pad - 99057

- Uses electromagnetic technology to charge Qi V1.2 compliant IC devices ("Qi" enabled)
- LED to confirm pairing / charging
- Security tab prevents theft
- Customer-installed
- UL-certified

Cutout required:	3" dia (by customer)
Input:	DC 5V (with included DC5V.2A power adapter)
Output:	5W max (with included DC5V.2A power adapter)
Power cord:	8' [244 cm] with DC jack
Dimensions:	3.5" dia [8.9 cm] x 1.125"H [2.9 cm]
Shipping weight:	1 lb [.45 kg]

Note: The unit requires a 7" diameter of clearance to work with Qi-enabled phones placed in any orientation. The 3" dia cutout should be located on the worksurface at least 3.5" from any edge.

Drifter Power and USB Charging Hub - 99040

- 360° Access to Power on three sides (1 AC power outlet and 2 USB charging ports per side)
- Easy installation-table cutout not required
- Includes mounting kit for permanent installations
- Cord length: 9'
- ETL listed
- Available in black or silver
- 10" [28.5 cm] x 2.85" [7.2 cm]
- Shipping weight: 8 lb [3.6 kg]
